WOODSTOCK (GA) -- After two weeks of rain and storms, lightning strikes a home in the Deer Run development of Towne Lake Woodstock Wednesday evening July 10, 2013.

Lightning strikes/Eldridge

Members of the City of Woodstock and Cherokee fire departments check on a home struck by lightning during the thunderstorm Wednesday evening, July 10, 2013, in the Deer Run development in Woodstock, Ga. All homeowners should call police and fire officials to check for structural damage as well as possible smoldering embers after lightning strikes their property.
